He had the benefit of the best medical advice that a loving and wealthy father could procure, without avail. It was one of the most agentizated cases I ever saw; he was conaciated al-most to a skeleton. This was an extreme case, of inflammation of the spleen, of long standing, has a variety of freatment from no less than eight different physicians, without receiving benefit—was cured by the use of only four bottles of the Magnetic Ointment. This was four months ago and the lady (a Mrs. Dunham,) is still in good health, and able to attend to her usual household datase. Thave trented two cases of Chronic Societies with the Ointment, both of the patients so nearly blind, as orneed an attendant to lead them from place to place. One of them had been afflicted its years, the other about 9 years. They had tried the best physicians in the State, without beneat, and one of them had been under the treatment of the celebrated Dr. Muzzy, of Cucinnati, for eighteen months, and had expended hundreds of dollars in van efforts to effect a cure. They are now by use of the Magnetic Ointment, nearly or quite cured; and are able to read and attend to any ordinary business. I have used the Ointment in a number of cases of Piles, and in no case has it failed of gaing mans last relact and generally a parament cure. I have also used it beneficially in severe cases of Erysipeliss. And has had not least, I have within the last year cure! four excesses of CANCER by the use of the Magnetic
